

SOUTHEAST REGION CENTURY PATCH FORM

The Southeast Region Century Patch was designed to promote Rally/Samboree attendance within our Region. To be eligible for a Century Patch, you must attend 10 rallies with at least 3 of the rallies being in different Southeast Region States. Attendance at "The Rally" counts as a rally attended.

The Southeast Region States are:

Alabama	North Carolina
Georgia	South Carolina
Florida	Tennessee
Kentucky	

When 10 rallies have been recorded and verified (by obtaining the appropriate signatures below) you are entitled to purchase a Southeast Region Century Patch. You must present this completed and signed form to the State Store in order to purchase your patch. The State Director will then present you with your Century Patch.

Once the Southeast Region Century Patch has been earned, State Flowers Patches can be earned. A State Flower Patch is earned for each additional ten rallies attended (same rules as above). Many people arrange to have their Flower Patches earned in a specific State in order to collect them all.

Only one form per rig is required. Start attending rallies and collecting signatures for your Century Patch, you can then wear it proudly on your vest or jacket. By earning your Century Patch and all 7 flowers, you become a member of a very elite group of Good Sam members.

Name: _____ Address: _____
